Algeria stands in a distinctive if not unique historical position along at least five categories of human experience. Most notable is the country's heroic and ultimately successful effort at overcoming 132 years of French colonial rule, achieved through an eight-year war of national liberation that left nearly a million casualties in its wake.

Alan Christelow's Algerians Without Borders argues that frontier encounters and border-crossings have made Algerians, especially adept at code switching. Algerians, he shows, have been significant intermediaries between the West and Islamic world throughout history, effectively engaging in constructive communication at the margins. In fact, Christelow maintains that we can learn a great deal
