Archetype (Archetype, #1) by M.D. Waters - Goodreads

M.D. Waters has written a stunning debut novel with Archetype. This one held me in its grasp the entire way and I was very upset when that pesky real life interfered with my reading. The Masters Review | Book Review: Archetype by MD Waters

Book Review: Archetype by MD Waters. The buzz behind Archetype is not misplaced. I finished this book in a weekend, and I'm fairly sure that's how most people have read it fast and somewhat obsessively. With the proliferation of dystopian novels in the market, it's becoming difficult to find a standout book among the masses. Archetype does that. It's been compared to *The Handmaid*
