COURTING SUSANNAH makes the first decade of the twentieth century in Seattle alive and fresh and not locating it in San Francisco during the major earthquake. The story line is enjoyable although one must wonder why the suspicious, once burned Aubrey allowed his deceased wife's best friend to stay. Courting Susannah is a charming book that features Susannah McKittrick, the namesake of the book obviously, and Aubrey Fairgrieve, the widower of Susannah's childhood friend. Linda Lael Miller again writes a good, solid tale of two wonderful characters and secondary characters also. She weaves humor in with the romance, and even some suspense. While I felt the ending was a little too hurried.
