Narrative Case Study Directions - Laurel and  
Associates

Narrative Case Study Directions A narrative case study is  
a story of a real life problem or situation that provides  
sufficient background data so that the problem can be  
analyzed and solved. A good case study is written in the  
form of a story. It has a problem for the readers to solve. It  
has characters who have names and use authentic dialogue.  
It is descriptive, with realistic
