Ecotourism and Conservation in the Americas: Stronza, W H Durham: 97811845934002: Books - Amazon.ca
Ecotourism and conservation in the Americas, - CABL.org

The book aims to fulfill its mission, and to offer professionals in conservation and ecotourism organizations, non-governmental organizations and government offices, particularly in the USA and Latin America, a worthy assessment of ecotourism's tangible impacts in the Americas. It also provides useful case studies, testimonies of 'ecotourism at work' in the field, and regional overviews for students and their professors in university classrooms.

Ecotourism and Conservation in the Americas Using detailed case studies and regional overviews, Ecotourism and Conservation in the Americas presents the views and experiences of scholars, practitioners, tour operators, and policy makers involved in ecotourism programs in the U.S. and Latin America.
