Florence Nightingale on Public Health Care Lynn McDonald Published by Wilfrid Laurier University Press
McDonald, Lynn. Florence Nightingale on Public Health Care: Collected Works of Florence Nightingale, Volume 6. **Florence Nightingale as a Social Reformer | History Today**

Lynn McDonald describes the lasting impact of Florence Nightingale on improving public health for the poor. Lynn McDonald | Published in History Today Volume 56 Issue 1 January 2006 Had Miss Nightingale's advice on the Poor Law been taken and her plans accepted there might have been a universal health service before 1948.

This sixth volume in the Collected Works of Florence Nightingale reports Nightingale's considerable accomplishments in the development of a public health care system based on health promotion and disease prevention.

Florence Nightingale and the early origins of evidence ...

...

It is unfortunate that Nightingale's proposal was not acted on, for it would have undoubtedly led to the earlier and better use of evidence in public policy, health care, and other matters. The Collected Works of Florence Nightingale will report on many other examples of Nightingale's work in these areas.
