Global Issues in Language, Education and Development ...

The question of why the issue of language features increasingly at the centre of debates about education for social and economic development at the beginning of the 21st Century is compelling. Within a rapidly changing world, language, literacy and communication are seen as constituting key elements

Global Issues in Language, Education and Development ...

Global Issues in Language, Education and Development: Perspectives from Postcolonial Countries (Linguistic Diversity and Language Rights) by Rassool, Naz (2007) Paperback: Books - Amazon.ca

Global Issues in Language, Education and Development ...

Global Issues in Language, Education and Development delivers a thought-provoking and frequently sobering assessment of linguistic hegemony in multiple postcolonial contexts. It does so by melding macro-theoretical analysis and reflection with case study analysis.

Global Issues in Language, Education and Development ...

Request PDF on ResearchGate | On Dec 1, 2007, Felix Banda and others published Global Issues in Language, Education and Development: Perspectives from Postcolonial Countries

Global issues in language, education and development ...

Examines the role that language-in-education policy, historically, has played in shaping possibilities for development, within countries in the Sub-Saharan and South Asian regions. This book takes account also of the complex ways in which language, education and development are linked to the changing global labour market.

Global Issues in Language, Education and Development

Rassool's perspective is a refreshing one that challenges the notion that the spread of (ex)colonial languages has been, especially in the last 20 years or so, a mostly, if not wholly, positive development characterized almost exclusively by masses of people clamouring loudly and happily for English.

Global issues in language, education and development ...

Global issues in language, education and development : perspectives from postcolonial countries. [Naz Rassool,

Maggie Canvin; Kathleen Hough; Sabiha Mansoor] --
"The question of why language features increasingly at the centre of debates about education for social and economic development at the beginning of the 21st century is compelling.
