"The Murri case was better than a novel and promised to last longer," as Vella comments so pungently on the tragedy. And today's true-crime readers will be as anxious to learn the verdict as yesteryear's aficionados of scandal were. Astutely melding legalities and personalities into the historical Italian society, Vella fashions a riveting reconstruction.

Scholar and writer Christina Vella combines meticulous research with a novelist's eye for a great story. As she unspools the tight, tense drama, she offers a fascinating picture of Italian society in the early 20th century, with a historian's insights into life at both the top and the bottom. From sexual dysfunctions, to prison conditions, to the patronage systems that permeated medicine, law,
