Islam and the West - Wikipedia

Islam and the West is a 1993 book written by Middle-East historian and scholar Bernard Lewis. The book deals with the relations between Islam and Western civilization. It is divided into 3 sections. The first section treats the history of the interactions between Europe and the Islamic world. The second section is concerned with the perceptions arising from these interactions by both societies. The third and final section is concerned with Islamic responses and reactions in earlier and
