Sarah Murray - Making An Exit | From the magnificent to ...

Murray tackles an uncomfortable subject with sensitivity, humor and great insight. The Washington Post A fascinating travelogue, but also a personal meditation on loss and fate. The Economist Difficult to put down with Murray at the helm, this journey in search of death is full of life. Publishers Weekly

Making an Exit | Sarah Murray | Macmillan

Making an Exit raises a host of issues worth thinking about. In addition to being a deeply informative book, Making an Exit is also a personal one. Murray's reflections on her father's terminal illness and his plans for a no-frills cremation are particularly touching. In the end, as her own experiences show, the rituals we create to honor the dead may say more about the living, and our fears and hopes.

Making an Exit by Sarah Murray - Stacked Books

Reading Making an Exit reminded me a lot of my experience in reading Eric Weiner's The Geography of Bliss: there is a balance of respect and curiosity in the topic, and never once does the reader feel cheered or belittled in the process. These two books have an interesting conversation with one another, as both explore a heavy topic through a cross-cultural lens.

Sarah Murray: Making An Exit - AUX

Fun fact: the practice of embalming cadavers first became widespread during the Civil War. The sheer volume of dead bodies on the battlefields hastened the adoption of a method for transporting corpses long distances, so distraught family members could glimpse the beautiful memory picture of a cosmetically altered face in seeming serenity.
