This book is the first examination of the history of prison policy in Ireland. Despite sharing a legal and penal heritage with the United Kingdom, Ireland's prison policy has taken a different path. This book examines how penal-welfarism was experienced in Ireland, shedding further light on the

[Mary Rogan Page 4 Prison Law and Prison Policy](#)

I found that this was a very progressive time for Irish prison policy and both Minister and civil servant were intent on pushing forward proposals in a way which had never been seen previously. This resulted in a number of positive changes in Irish prison policy, such as the reopening of the school in Mountjoy, the establishment of a psychiatric wing in that prison, investment in aftercare and

**Rehabilitation, Research, and Reform: Prison Policy in Ireland**

The paper tracks the concept of rehabilitation within official thinking in Ireland since the foundation of the State. It explores when and how the term was first used and how it has fared since. It then examines barriers to and the role of research in the making of prison policy and comments on data deficits in the system at present. Finally it

as presented by Rogan in Prison policy in Ireland, has never been previously attempted. The book deals primarily with the adult male prison population and policies. Chapter One explores and critiques the theoretical literature on the sociology of punishment and policy making. The author argues that policy analysis can provide the missing link in the understanding of the nature of crime control
