Quarterlife Crisis by Alexandra Robbins, Abby Wilner ...

While the midlife crisis has been thoroughly explored by experts, there is another landmine period in our adult development, called the quarterlife crisis, which can be just as devastating. When young adults emerge at graduation from almost two decades of schooling, during which each step to take is

Quarterlife Crisis: Alexandra Robbins & Abby Wilner ...

The quarterlife crisis, defined by the authors: "occurs precisely because there is none of that predictable stability that drives middle-aged people to do unpredictable things. After about twenty years in a sheltered school setting many graduates undergo some sort of culture shock. . . . But after graduation, the pathways blur. In that crazy, wild nexus that people like to call the "real world"

The Quarter-Life Crisis - Kansas State University

The quarter-life crisis is the experience many of us go through as we exit college and enter the real world. All of a sudden, there is no one telling us what to do, when to do it and how to do it. Suddenly we are adults and there is a looming feeling that someday someone is going to find out that we don't really belong in the adult world and we have
