[Red Cat \(John March, #3\) by Peter Spiegelman -](#)
[Goodreads](#)

This is the third John March mystery after the debut, Black Maps, a very good book and Death's Little Helpers, which was not. Red Cat combines what worked in this author's first novel and somewhat minimizes what didn't in the second providing an entertaining but average read.

Red Cat by Peter Spiegelman - petrona.typepad.com

Yet again due to the generosity of Karen at Euro Crime, I've read another cracker of a book. This one, by Peter Spiegelman, is the third in the John March series. You need to have read the first two in order to enjoy this one fully, but if you haven't read the predecessors you can still relish a private-eye investigation in the classic mould.

Red Cat (Audiobook) by Peter Spiegelman | Audible.com

Given Scott Brick's superb reading of Black Maps, produced by Books on Tape, it's difficult to understand the switch to Phoenix for Red Cat. Although I would recommend Spiegelman's work to any fan of the modern noir thriller, and do so enthusiastically in the case of Brick's Black Maps reading, frankly, I would suggest they pass up this Red Cat production and read the book instead.

Random Writings: Book Review: Red Cat by Peter Spiegelman

Book Review: Red Cat by Peter Spiegelman Red Cat. By Peter Spiegelman. The Huffington Post (www.thehuffingtonpost.com) recently posted an article listing mystery novels which transcend the genre and are actually quite literary. This novel was included. The skeleton of the plot of Red Cat is actually fairly pedestrian.

A wealthy banker hires his private investigator brother to find out who the
