Challenging ...

This collection examines the problems faced by refugees and recent migrants in accessing employment as well as the policy frameworks that address the labour market rights of refugees and economic migrants.

**Refugees, Recent Migrants and Employment: Challenging ...**

The success of this volume lies in its ability to bring together a number of empirical research projects that detail the experiences of refugees and recent migrants in obtaining jobs in the countries in question and how these jobs relate to their qualifications, skills and/or experience. Consequently, the individual refugee or recent migrant worker, and the challenges and struggles he or she

**Legal Frameworks Regulating the Employment of Refugees and ...**

Immigration and asylum laws primarily determine the extent of rights to enter and participate in the labour market, and these have become increasingly restrictive for some groups of migrants while encouraging others, as this chapter will show. The position of refugees and recent migrants in relation to antidiscrimination and employment laws and their understanding of their legal rights is also
