See America First: Tourism and National Identity 1880-1940 ...

See America First is the first comprehensive assessment of tourism and the formation of a twentieth-century American identity. The voyage of discovery is both individual and national, cultural and personal. . . . Shaffer shows how local and regional businesses collaborated to create a national message that a willing nation embraced. Hal Rothman, University of Nevada-Las Vegas

[See America First - americamoreorless.com](#)

Anybody remember the slogan, See America First ? I remember it as a marketing campaign in the 1960s and 70s, to persuade Americans to spend their tourism dollars in the U.S., and not Europe which they seemed to be doing in droves, to the distress of our tourism industry. The slogan was actually coined much earlier, around the turn of the
