[Facts on Social Security Organization - ilo.org](#)

International Labour Organization Social security is the protection that a society provides to individuals and households to ensure access to health care and to guarantee income security, particularly in cases of old age, unemployment, sickness, invalidity, work injury, maternity or loss of a

**International Labour Organization | ILO Office in Santiago ...**

The paper discusses the contribution of the labour market and of the social protection system as effective mechanisms to overcome poverty and reduce income inequality. The conclusions state that, even though the labour market policy framework has changed, and now yields better outcomes, there are many more social and policy issues and challenges ahead than the ones that are usually acknowledged.
