Sam Jordison: John Brunner's dystopian vision of 2010 may not be completely accurate but his grungy world is brilliantly described.

[Stand on Zanzibar by John Brunner - Goodreads](#)

Stand on Zanzibar by John Brunner is an amazing book. First of all, the title comes from the idea of putting all the people on the planet in one place. A nineteenth-century commentator speculated that if everyone were to stand, and have maybe a couple feet square around him or her, then everyone could stand together on the Isle of Wight. How John Brunner went from writing short complex flawed novels in 1967 to producing the huge Stand On Zanzibar in 1969 is beyond me. At the heart of Stand On Zanzibar are two of Brunner's stock characters with their quiet introspective British reserve, but wrapped around it is an incredible feat of world building that not only reflects the
