Star Corps (The Legacy Trilogy, #1) by Ian Douglas  
Even though Star Corps is the first in the Legacy trilogy, it is not the first in Douglas series dealing with Space Marines. No, these are not Space Marines like you would find in the Warhammer universe. This is an extrapolation of the current Marine Corps, and what it might entitle in the not so very distant future, should mankind ex

Topic

I saw this in the local used bookstore, and it sounded interesting, but apparently, it is the 3rd book in one of the

series (not sure which one).
