[The Arab Americans - Randa A. Kayyali - Google](#)  
[Books](#)

Americans of Arab heritage have made major  
contributions to U.S. society, and this is a timely and  
unique overview of their immigration patterns, settlement,  
adaptation, and assimilation for a general audience.

[The Arab Americans: A History by Gregory Orfalea](#)

Interesting topic (especially Chapter 2, about the first Arab  
immigrants), but not the most engaging book. I feel like  
Orfalea was too close to his subject, though the amount of  
interviews he did with Arab Americans from across the  
country was impressive.
