Chlo Taylor, The Culture of Confession from Augustine to ...

Chlo Taylor's *The Culture of Confession from Augustine to Foucault: A Genealogy of the Confessing Animal* is an engaging work of Foucaultian scholarship that does not content itself with a simple reconstruction of Foucault's thought, but instead develops and challenges it. Taylor's book offers a genealogical analysis of the cultural mechanisms and rituals by which the subject

Taylor very clearly and concisely covered a lot of history and theory in her book, which was great, because it then made it easy to take those ideas and find contemporary manifestations of confessional culture that might exist in one's life. I would definitely recommend this book, especially if you enjoy Foucault, feminism, identity politics, or are interested in the practice of confession
