[The Freedman in the Roman World: Professor Henrik Mouritsen ...](#)

Henrik Mouritsen presents an original synthesis of Roman manumission, for the first time covering both Republic and Empire in a single volume. While providing up-to-date discussions of most significant aspects of the phenomenon, the book also offers a new understanding of the practice itself, its role in the organisation of slave labour and the Roman economy, as well as the deep-seated ideological concerns to which it gave rise. It locates the freedman in a broader social and economic

The freedman had a unique status in the Roman world. He came from a class that contributed significantly to the economy of the empire, but this class could not reproduce itself (p. 208). Slaves and free born people could have children who were born into their status. The children of freedmen were usually free and not considered freedmen (pp. 208, 261-78). As noted, the economic impact of

Mouritsen is an excellent guide to the tricky social history and economics of Roman freedmen.' The Times Literary Supplement 'This is a great book, an attempt not just to trace but also in sense to rewrite the history of Roman freedmen (and, by extension, much of Roman social and economic history too).
