The new Macedonian question - NATO - Homepage

In addition to Poulton's chapter, Pettifer's two contributions chapters entitled The new Macedonian Question and The Albanians in western Macedonia after FYROM are certainly worth reading. So, too, is the first chapter by the late Elisabeth Barker and originally published in 1949, which, according to Pettifer "sets out the traditional pro-Greek view of the British Foreign Office".

The Macedonian question has been at the heart of the Balkan crisis for most of the twentieth century. This important book is the first to bring together international experts to analyse the recent history of Macedonia since the break-up of Yugoslavia, and includes seminal analyses of key issues in ethnic relations, politics, and recent history.

The new Macedonian question | SpringerLink

All Balkan territorial disputes have their mythologies; that of the Macedonian question is that of the most bloody, complex and intractable of all, in a small peninsula already well burdened. But it was also the conflict that, perhaps more than any other, socialist Yugoslavia seemed to have superseded.
