[The Story of Opera by James Parakilas - goodreads.com](#)

The Story of Opera explores the centuries-old tradition in which the emotional power of music is linked to the human issues that can be enacted as stories. The first part, "Going to the Opera," introduces newcomers to every element of the operatic experience--venues, seating arrangements, dress and costumes, stage effects. Four centuries of opera through the stories they tell.

[The Story of Opera | W. W. Norton & Company](#)

The Story of Opera introduces the world of opera in a way that requires no special knowledge: through stories. After an opening explanation of the elements of the operatic experience, the text is organized around story types that have preoccupied operatic creators and audiences in each century of operatic history from ancient myths and
