Tropes (Stanford Encyclopedia of Philosophy)

But a theory of states of affairs invokes apart from the state of affairs itself at least two (fundamental) sorts of things (universals and substrates), whereas a theory of tropes (at least a theory of tropes according to which tropes are simple, and objects are bundles of tropes) invokes only one (tropes). From the point of view of ontological parsimony, therefore, the trope view ought to be preferred. **The bundle theory and the substratum theory: deadly**
