[The Universal Declaration of Human Rights Michel Streich ...](#)

The Universal Declaration of Human Rights is not a treaty, and is not legally binding. However, it is the most fundamental document on human rights, and in the years since its proclamation has served as a moral compass for the world. It is the standard by which the international community measures human rights. It has also been the basis for subsequent treaties and covenants, and today forms part of the International Bill of Rights.
