[Venom by Joan Brady - Goodreads](#)

'Venom' of the title refers both to the extract from bees, and to the vicious hostility generated by human ego greed. Main characters are well developed - some events seem a bit far-fetched, but not so much as to be fanciful.

[Venom: A Novel of Suspense by Joan Brady \(2013-03-02 ...](#)

This is a fun read. This fast paced, well written, international thriller, moves quickly as diabolical plots thicken and come undone. Although a thriller, there is humor and a love story to boot.
